To Whom It May Concern:

At the request of Matthew Elyachar, President of GEM Commercial Flooring Company, I am sharing my working experiences with Matthew and his company.

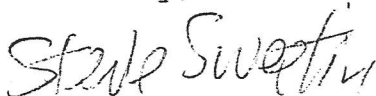

Since 1994, I have always had very good experiences with GEM Commercial Flooring Company and their installers. Interface and GEM Commercial Flooring Company have worked on dozens of projects including corporate environments, schools and the government.

Matthew's primary goal is to provide excellent customer service. He constantly provides great care and dedication to solving his customer's floor covering needs. Matthew has been known to personally pick up and re-install carpet in emergency situations.

It is hard to find a dealer that has the professional integrity to properly handle the responsibilities it takes to make the customer happy. Matthew is one of the best.

If I can be of further assistance, please feel free to contact me 913-707-0787.

Sincerely,

Steve Sweetin
